CANCELLATION POLICY

One week's notice is required for a lesson cancellation in order to receive a make-up lesson. If the student is ill, please contact Prussin Music before 12:00 noon on the day of the lesson.

(Not applicable to group lessons.)

*Please note that, because the VSB has a 2 week March Break again this year, the make-up week **DOES** coincide with the first week of said break (our choice was to put the make up week during the first week OR the first week of the Spring semester during the 2nd week of the the break).*
